"FROM THE HELM"

Greetings, members and friends of Seattle Navy League!

Thank you for a great Fleet Week! You made this a memorable 70th Seafair Fleet Week for Seattle and provided the highlight of the summer for our visiting ships and their crews.

Our Fleet Week Co-Chairs Jeff Davis (Seattle Council) and Sanu Chacko (Everett-Lake Washington Council) put together a full program in coordination with Seafair and the Port of Seattle, including a new timeline and some new takes on our traditional events. With the help of our sponsors and many volunteers, it all added up to a great way for us to fulfill our mission of supporting and advocating for the Sea Services - while having some fun, too.

Well done and thank you to all our sponsors and volunteers who made it possible!

Hope to see you at Jack's on Thursday, where we can enjoy some great barbecue with members of our adopted unit Marine Corps Recruiting Station Seattle and re-live the highlights of Fleet Week 2019!

The Navy League was founded in 1902 with a clear three-pronged mission: to support the members of the sea services and their families; to educate the American people and their elected leaders about the critical importance of sea power for their economic prosperity and national security; and to help build America's future through successful youth programs like the Naval Sea Cadet Corps.

The Seattle Navy League thanks you for your interest in the Sea Services and our council's activities.
